“Flowers Forever”
at MORNINGTON GREEN
Legacy Gardens

The transformation of loved ones ashes into Living Legacy flowers.

A new way to memorialise and connect to loved ones when they've passed.

Overview

At Mornington Green Legacy Gardens, we understand that finding the perfect way to honour the memory of a loved one who has been cremated can be a difficult decision.

That's why we offer a beautiful and serene shared memorial garden brimming with flowers right here on our grounds. The Flowers Forever garden is a peaceful space for families to reflect and remember their loved ones in a beautiful setting that we take great care to maintain all year round.

Our team is dedicated to ensuring that the garden remains a thriving and beautiful tribute to those who have passed on. Flowers Forever provides a meaningful way to celebrate the life of a loved one and offers a source of comfort for those left behind.

Let us help you create a lasting and beautiful tribute for your loved one.

Flowers will change seasonally but this year we will be planting sunflowers, foxgloves, daffodils, tulips and roses.

4 SIMPLE STEPS

- 1 Come and visit Mornington Green Legacy Gardens for a short tour.

- 2 Book a time to memorialize your loved one within the Flowers Forever garden.

- 3 Arrive on the day with the ashes; our team will provide a short and simple ceremony, and the ashes will be treated and placed underneath the Flowers Forever garden on the day.

- 4 Follow the link provided to create a digital memorial that you can share with friends and family.
